A special note of thanks must also go to the officials who have travelled to Rarotonga to provide their skills and experience for our benefit.

8.0 The Record Manager shall state whether a record has been set. He then registers the performance. Together with the chairman of the Records Committee he shall ratify the record, forward the change to WMA's website for publication, and also advise Regional Statisticians, and at the same time he shall update the official world record list.
